## STILL LOOKING FOR A

**Nothing is kept or put aside for your return.**

### LOST AND FOUND

You should also check out the lost and found table at reception. The contents of this table will be given to charity next week.

## ST. LAWRENCE ACADEMIC CALENDAR 2012-2013

Should you be planning to travel in 2011-2012, please verify the academic calendar before reserving your trip. If you plan a trip during the semester or during the exam period, you run the risk of failing the course.

## BRING A LOCK ON WELCOME DAY.

Claim your locker! Friday, August 17th, Welcome Day, you will receive your locker assignment. **It is highly recommended**

**that you bring a lock with you** and put it on your locker immediately. This is the best way to avoid locker problems on the first day of classes. If you have a problem with the locker you have been attributed, do not grab another. Locks will be cut if found on the wrong lockers. Please see Joanne in room 272 for help or more info.
